

§ 171.44

(3) The effect a grant of the petition would have on the National Futures Association; and

(4) The effect a grant or denial of the petition would have on the public interest.

(e) *Expedited consideration.* If the suspension, restriction or remedial action imposed by the National Futures Association in a member responsibility action is effective at the time a petition for a stay is filed with the Commission, the Commission shall not delay its decision on the petition to await the receipt of the National Futures Association's response. If the decision is not effective at the time the petition is filed, the Commission will not act upon the petition prior to the receipt of a response from the National Futures Association unless, in its view, expedited action on the petition is necessary to protect petitioner's right to a meaningful determination of the right to a stay. If the Commission grants the petition prior to the receipt of the response of the National Futures Association, the association may seek reconsideration of the Commission's action within seven days of service of the decision.

§ 171.44 Notice of appeal.

(a) *Time to file.* Any party aggrieved by a final decision of the National Futures Association in a member responsibility action may, within thirty days of the service of the notice described in § 171.42, file with the Proceedings Clerk and serve on the National Futures Association a notice of appeal. The filing of such a notice shall not stay the effective date of the decision.

(b) *Contents.* The notice of appeal shall meet the content requirements of § 171.23(b).

(c) *Filing fee.* Each notice of appeal must be accompanied by a nonrefundable filing fee of \$100. This amount may be paid by check, bank draft or money order, payable to the Commodity Futures Trading Commission.

(d) *Defective notices of appeal.* Notices of appeal that are untimely or not accompanied by the filing fee shall not be accepted by the Proceedings Clerk absent a showing, by motion, of excusable neglect.
